Board Sets Date for Tax Election

An official resolution setting October 11 as the date for a tax override election, with 31 polling places for local voters, was passed by the Torrance Board of Education Tuesday night.

The district has reached its legal taxing limit, although inflation, enrollment increases, and other costly factors are continuing. Since the last tax increase was approved in 1956, school enrollment has increased from 15,000 to an expected 27,000 next fall.

If passed by the voters, the tax override would become effective in 1961-62, not next year.

Celebrating the 50th anniversary of scouting in America, the Boy Scouts throughout the nation are observing the Jubilee activities, with special events ranging from the Jamboree at Colorado Springs to district events, such as the one held at Alondra Park in Torrance.

On this anniversary, several thousand scouts are expected to take part in a full day of field events at the local park. The events include camping, supper at 6 p.m., and a ceremonial re-dedication to the ideals of scouting at the evening campfire.
